

**Okehampton Town Council
Full Council Meeting 29th July 2024
Meeting Report**

Date:	22 nd July 2024
Name:	Emma James

Okehampton Projects and Consultations

DCC Urban Renewal Project – To receive an update from Cllr Tolley and consider any potential ‘quick wins’ in relation to the strategy

We are very pleased to let you know that we are running another round of ‘Quick Wins’ for the Devon Towns we are working with.

There will be a strong focus on economic projects that align with your regeneration strategy and have outputs for business support, employment or training. The maximum available for each town will be £5,000 but we have a limited budget and so we will not be able to support every town.

If you are interested in submitting a proposal, we would like to have an informal conversation with you via MS Teams in the first instance so that we can discuss your ideas and advise you on what we are looking for. We will then provide you with the proposal form which you will need to submit to us by **Monday 5 August 2024**.
